In order to take care of the shortfall in the formation of the original panel, the number of candidates being called for document verification is 30% more than the actual number of vacancies (wherever such number of candidates are available) It is also made clear that merely calling a candidate for document verification does not in any way, entitle him/her for final empanelment/appointment on the Railways. The candidature of all the above mentioned candidates are purely provisional and subject to their fulfilling the eligibility criteria in all respects.
In case, any of the candidate, who does not receive individual intimation letter for Verification, he/she may come for original document verification on the date fixed above along with the counter foil of the admit card of written examination conducted on 22.04.2012.
